The Work . . .

The work entails parties from both sides of the border walking the strip, gopher bombing the gopher holes and filling them in to prevent badgers from digging them out and creating holes big enough to damage aircraft. The fence is checked, poles are replaced if necessary, and grass is mowed. Aircraft from both Montana and Alberta fly in without having to clear customs either way; we are in no man's land and both the Canada Customs Agency and the US Customs and Border Patrol are notified and participate.

BBQ & Refreshments

The Flying Farmers of Alberta will be provide refreshments, food and drink.

(bring your tools to fill in the gopher holes)
