Please join the Edmonton RCAF Association 700 Wing in memorializing the heroic endeavours of the brave men and women that halted the advance of the seemingly unstoppable German military.

80 years ago a battle for the very survival of democracy in Europe took place over the once tranquil fields of Great Britain. The small forces of the Royal Air Force and her Allies stopped the Luftwaffe from gaining air supremacy and thus halting the advance of the Wehrmacht and Hitler's dream of conquering all of Europe.
